United Church Bazaar October 31

The Bazaar, sponsored by the Jr. and Sr. W.A. groups of the Irma United Church, will be held in the church basement on the afternoon of Saturday, October 31, 1963.

The Junior W.A. will have charge of the Tea Tables. They will also be for sale beautiful fancy work, aprons, home baking, candy, novelties and a mystery table. Donations to the candy and mystery tables will be very much appreciated. Any parcels for the mystery table should be clearly marked showing whether for boy, girl, baby, men or woman and the price on the outside of the package. These parcels are not opened. This is a very popular table with the boys and girls and the demand generally exceeds the supply. Each member of the Sr. W.A. is asked to donate one apron, and each member of the Jr. W.A. is being asked for one novelty.

Jarrow News

Mr. and Mrs. H. Beer have had as their guests his brother and family of Edmonton.

The Jarrow W.A. is holding its annual bazaar and tea in the Jarrow hall on Saturday, Nov. 7. Watch for further particulars. Our congratulations and best wishes are extended to Mr. and Mrs. Phil Holt whose wedding took place at the Metropolitan United Church in Edmonton on Saturday, October 17. Those attending the wedding from the Jarrow-Batts district included: Mr. and Mrs. Barry Holt and family, Mr. and Mrs. J. B. Campbell, Mr. and Mrs. M. Orzechowski, Mrs. W. Orzechowski and Margaret, Mr. and Mrs. H. C. Smith and family, Mr. and Mrs. R. Mark and family, Mr. and Mrs. G. Bridgeman and Bruce, and L. White.

Mrs. Sangret has been staying with Mr. and Mrs. Percy Wright for the past few weeks while her husband has been working on the local threshing machines. The sympathy of the district is extended to Mrs. Likness on the loss of her mother.

IN MEMORIAM

Cherished memories of my dear husband and our loving father, Joseph A. Fleming, who God called to rest on November 4, 1961:

Blessed hope that in Jesus is given
In our sorrows to cheer and sustain,
That soon with our Saviour in Heaven
We shall meet with our loved one again.
—Fondly remembered by his sorrowing wife and family.

OPTOMETRIST

Northern Nuggets

Mr. and Mrs. J. W. Matthews and daughters Marjory and Carol were very surprised people on Saturday evening, October 17 when Mr. and Mrs. John Bars arrived at their home to escort them to Albert school for a farewell party in their honor. Following a short program, conducted by Mrs. C. L. Currie and Mrs. Percy Miller, the Matthews family were presented with a tri-light lamp by Mr. R. C. Johnson, who expressed the best wishes of the district as they move to their new home in Irma. Lunch and much friendly visiting brought the evening to a close.

We understand that Mr. R. C. Johnson has received a medal from Her Majesty the Queen to commemorate her Coronation. Mr. Johnson is the Reeve of the Municipality of Minburn.

Mrs. P. Miller will send the W.I. shipment of rags to Adanac on November 3.

Congratulations and good wishes go this week to Mr. and Mrs. Phil Holt whose marriage took place in Edmonton on Saturday.

Buffalo Coulee W.I. met at the home of Mrs. L. H. Bars on October 15. Eleven members answered the roll call with a bazaar donation. There were three visitors. Chicken Supper plans were completed and plans made to serve hot dogs and coffee at the Matthews' sale, October 21. Prize winning quilt and dressed doll will each be drawn for shortly before Christmas. The highlight of the November 17 meeting at the home of Mrs. R. Allen will be the talk on Freezer Magic by Miss Holmes, the Home Economist. Hostesses, Mrs. Alf Larson, Mrs. J. Fleming, Mrs. W. Matthews, Contest, Mrs. Edgar Jones, Roll Call, Subscription to Home and Country.

Mr. and Mrs. W. H. Prior were city visitors this week.

We are sorry to hear that little Ann Savage is suffering a broken arm.

Born to Mr. and Mrs. Goodale of Toronto (nee Ann Prosser) on September 23, a son.

Mr. and Mrs. Dick McRoberts were visitors to Toftfield and Edmonton Monday to visit relatives and take in the football game.

Mr. and Mrs. Sam Greer are proud parents of a new baby boy born in Mannville hospital October 16.

Please leave all articles for the Rummage Sale either at the home of Mrs. Allan Larson or at Mrs. Haakon Larson's in Irma.

Friendship Train Sends Thanks

Wednesday, October 7, 1963. Mr. Chas. Archibald, Pres. Irma Chamber of Commerce, Irma, Alta.

Dear Mr. Archibald: Perhaps one of the most satisfying of all experiences is the making of new friends. That is exactly how we felt after having visited your community on the Friendship Train. The welcome which you gave us will long remain in our memory.

On behalf of all those who participated, and on behalf of the Edmonton Chamber of Commerce, please accept our most sincere appreciation. It was most thoughtful of your community to act as hosts for the afternoon snack, which, as you witnessed, was enjoyed by all.

The next time you are in Edmonton, I do hope it will be possible for you to say "hello" to some of the men you met on the Train. Very truly yours, H. O. Patriquin, President.

Miss Freida Feero is Bride Of Mr. Abram Hamm

Beulah Tabernacle was the scene of a very pretty wedding on September 25 at 7 p.m. when Freida Margaret, eldest daughter of Mr. and Mrs. C. L. Feero of Edmonton, exchanged vows in a double ring ceremony with Abram Bernard Hamm, son of Mr. and Mrs. J. K. Hamm of Borden, Sask.

Rev. P. K. Currie officiated before an altar decorated with baskets of mauve and yellow gladioli and fern. Cedar boughs and mauve and yellow mums decorated the archway.

Given in marriage by her father, the bride wore a train length gown of French lace and net over satin designed with lily point sleeves and buttoned bodice. Her chapel veil of French illusion was held in place with a crown of pearls and rhinestones. As jewelry she wore rhinestone necklace and earrings. Red roses formed her cascade bouquet.

Miss Doris Jones and Miss Vi Zerb were candle-lighters. They chose gowns of pale pink. Encosagers they wore yellow carnations.

Miss Evelyn Dick was maid of honor, Miss Doris Sloek was bridesmaid and Velma Feero was junior bridesmaid. They chose identical gowns of mauve lace and net over satin, and carried cascade bouquets of yellow and white carnations.

Little Janice Daley was flower girl and looked sweet in a floor length gown of yellow lace and net over satin. She carried a basket of mauve and yellow autumn flowers.

Master Roger Feero, youngest brother of the bride, was ring bearer.

Attending the groom were Mr. Merrill Glen, Mr. Gordon McMann, cousin of the bride, and Mr. Clare Feero, brother of the bride. Ushers were Mr. Stanley McIvor, Mr. Sandy Chibrew, Mr. Keith Thompson and Mr. David Clark.

Mr. Ernie James was organist and Mr. David Wilson rendered three vocal selections entitled "O Perfect Love," "A Wedding Prayer" and "Together With Him."

At a reception for 265 guests in the Masonic Temple, the bridal table was centred with a three tier wedding cake, banked in mauve tulle, decorated in Canadian design and flanked with bouquets of baby mums and lighted tapers. A program was much enjoyed at which Miss Nancy French presided at the piano while Mr. and Mrs. Ken Fendergast sang "My Prayer." Miss Georgina Wade rendered two solos entitled "Bless This House" and "Because." The Shurston family chose as their number "When There's Love in the Home" and a trio comprised of Rosemary and Carol Olson, and Mrs. Ed Hoople sang "Be Thou Their Stay."

To receive her guests, the bride's mother wore a navy afternoon dress with navy and winter white accessories. Her corsage was of red roses and white carnations.

The groom's mother chose a grey frock complimented with black accessories and also wore a corsage of red roses and white carnations.

Rev. N. V. Ashdown of Irma proposed the toast to his niece, to which the groom fittingly responded.

A telegram was received from Rev. and Mrs. H. J. McVety, Elmer and Betty.

For her wedding trip to Banff and Jasper the bride chose a beige dressmaker suit with yellow accessories and a mauve top hat. Her cascade was of mauve orchids.

Out of town guests were Mr. and Mrs. J. K. Hamm of Borden, Sask.; Rev. and Mrs. John Hamm, Outlook, Sask.; Mr. and Mrs. Jake Hamm and family, Borden; Mr. Peter Hamm, Neveline, Sask.; Mr. George Hamm, Neveline; Mr. Wayne Dawson, Neveline; Mr. and Mrs. Clyde Feero, George and Harlene of Whitecourt, Alta.; Mrs. Fae Brown, Mayethorpe, Rev. and Mrs. N. V. Ashdown, Irma; Mrs. Milla Hikkelsen, Irma; Miss Vera Mikkelsen, Three Hills; Mr. and Mrs. Lorne-Jenken and family, Borden; Miss Vera Budd of Fort Assiniboine, Alta.; Mrs. Keith Loney, Ribstone, Alta.; Miss Alice McMann, Fargo, N.D.; and Mrs. Madge Blake of Portland, Oregon.

Mr. and Mrs. Hamm will make their home in Edmonton.

Southern Sayings

The next meeting of the Strawberry Plains W.I. will meet at the home of Mrs. Art Long on Thursday, November 12. Roll Call, "Subscription to Home and Country" and an item for the Mystery Table. All members are asked to be present to discuss bazaar and to bring handicraft.

Visitors to Edmonton last week were Mr. E. Tomlinson, Mr. and Mrs. H. Tomlinson, Mrs. A. Spooner and girls, Mrs. J. Jackson, Mrs. Eddie Jackson and Mr. C. Walker.

Visitors to the R. Reber home last week-end were Mr. and Mrs. F. Wilson and daughter of Freighton Mine, Ont. Mr. and Mrs. J. A. Leung and daughters, Mrs. J. Hooge, all of Theodore, Sask.; Miss Lela Long of Hudson Bay, Sask.; Mrs. H. Jones of Edmonton, Mr. and Mrs. Lew Reber and Mrs. H. Friend of Roseland. Sunday visitors were Mr. and Mrs. Art Knox and Marjorie of Wainwright.

FWUA Delegation Presents Brief To Alberta Cabinet Ministers

A delegation from the Farm Women's Union of Alberta met with the Alberta Cabinet to present a brief on Friday, Oct. 16. Mrs. W. C. Taylor of Wainwright headed the delegation and other members were Mrs. C. T. Armstrong of Calgary; Mrs. Jack Harrold of St. Albert; Mrs. Winifred Ross, Millet; Mrs. C. D. Fuhr, Stony Plain; Mrs. G. Osbaldeston, Fort Saskatchewan; Mrs. Cecil Keast, Viking; Mrs. C. E. Jones, Millet and Mrs. C. R. Braithwaite of Red Deer. Ministers present were Premier Manning, Hon. Dr. W. Cross, Hon. D. A. Ure, Hon. A. O. Aalborg, Hon. L. C. Halmrast, Hon. A. J. Hooke and Hon. J. L. Robinson.

The women were particularly interested in having a study of Community Property Laws made and such laws introduced in the Province and also in seeing the Devolution of Estates Act revised; in having alcohol tests made compulsory for ALL drivers involved in accidents; in

some type of assistance being given young farmers who are anxious to settle on the land; in having the government make provision for the erection of homes of the Aged in Municipal Districts; in the introduction of Provincial Health Insurance, in the establishment of more health units, in more emphasis being placed on the fundamentals in education and many other subjects in the fields of Health, Education and Social Welfare.

They thanked the government for publishing the booklet "Government Services Guide" at the suggestion of the FWUA and suggested a pamphlet on "Other Services Provided in Alberta" to be used in conjunction with the "Guide."

The delegation was very pleased with their reception, with the thorough discussion which took place and the amount of information obtained.

Principal Addresses
HSA At Innisfree

INNISFREE — At the first meeting of the home and school association, held recently, a motion picture "Growing Up" was featured. This was followed by a

talk by the high school principal, Harry Chonick, on the present high school curriculum, emphasizing the difficulty of offering all subjects in a school of this kind and discussing van pupils and playgrounds. Two discussion groups were formed, parents interested in-grade one to six, and those whose children are in grades seven to 12. They met in study groups with the teachers concerned.
A lengthy social hour concluded the evening.

EDMONTON REPORT

By Donald F. Smith

EDMONTON—If the Alberta Research Council delivers a favorable report on the fluoridation of public water supplies as a means of reducing dental decay, the provincial government will establish regulations and controls which probably will not allow the province's smaller centres to establish fluoridation for some time.

Government officials here indicated that if fluoridation is to be permitted in Alberta, it would be on a limited scale at the start. The larger centres, where trained and adequate supervisory staffs could be provided would be the logical communities for the first fluoridation plants.

The Research Council, the work of which is centred at the University of Alberta, where facilities for scientific study are available, was delegated by the provincial legislature to study the matter. The council set up a special seven-man committee to investigate the mountains of material for and against fluoridation.

Edmonton, so far, has been the only community in Alberta where the board of health and elected administrative body have adopted fluoridation. Actual operation of the plan has been withheld pending the research council report.

Recently, Hon. Dr. J. L. Robinson, minister of industries and labor, under whose department the research council was established, announced that the report will be made public Dec. 15 at a regular council meeting.

In addition to digging into scientific findings of research workers in all parts of the world, the special committee has received hundreds of letters and other types of material from persons and organizations either in favor or opposed to fluoridation.

Brantford, Ont., was the first Canadian centre to adopt fluoridation. It was established on a five-year trial with federal financial aid. Earlier this year Federal Health Minister St. Laurent reported that Brantford children had 68 per cent less tooth decay than those at Sarnia Ont., where fluoridation is not in operation.

It has been reported that the trial resulted in a 54-per cent reduction in decayed, filled and missing teeth in children born at the time the trial was started.

Provincial officials said the actual installation of fluoridation equipment would be within the financial means of almost all small centres with water distribution systems. One official estimated the initial cost of equipment would be \$1,500 for a town with a population of 4000 persons. Cost of operation is not high, they added.

Of course, the first step in any attempt to fluoridate public water would be the support of the community, the local health authority and the elected officials of the community.

This is the recommended course of many medical, dental and health organizations, which have endorsed fluoridation as a means of reducing tooth decay, particularly in children and believe it is not harmful to human health.

Despite wide approval by the official organizations of much of the medical and dental world, many persons are opposed on grounds of mass medication or fear of harmful effects. In some cases medical personnel have expressed doubts and called for further controlled experiments before wide-spread use.

There are places where fluorine is found in the natural supply of water being used by humans. Only a few centres in Alberta, most of them in the southern part of the province, have a natural source and in most cases it is not as large as the amount recommended for the reduction of dental decay.

Two compounds of fluorine are used commonly in fluoridation. They are sodium fluoride and sodium silico-fluoride. The suggested dosage is one part fluoride to one million parts of water.

In Alberta fluoridation has been given unqualified endorsement by the Alberta Dental Association, while the Alberta division of the Canadian Medical Association gives its blessings

subject to adequate technical supervision.

Fluoridation of private water supplies, such as on farms, is impractical, officials say. If the application of fluorine is of definite benefit to young teeth possibly science will find a means of making it available in fluoridated tooth paste or fluoridated flour and bread.

Until the time when the province's small cities, towns and villages are in a position to fluoridate their water under the supervision of the provincial dept. of sanitation, interested citizens can keep informed on the results, good and bad, in centres where fluorides are being used. With this knowledge they will be able to make a ready decision for their towns when the time comes.

Locals

Congratulations and best wishes to Mr. and Mrs. Philip Holt, the former Josephine Saville, whose marriage took place at Edmonton on October 17. A large group of friends from Irma and district, also Jarow and Kinella, Hardisty, Edmonton and Wainwright attended this happy occasion. We hope to have a full account for next week's paper.

The Rev. Leo Thurston, formerly of Ashcroft, took up his pastoral duties at Mayerthorpe this week.

The L.O.B.A. is sponsoring a Halloween dance in Kiefer's Hall on October 20. Murray's orchestra.

The Order of Royal Purple Ladies will sponsor a dance in Kiefer's Hall on November 25.

We are glad to learn that Mrs. J. Craig is feeling better and able to be home from Wainwright hospital.

Mr. E. Sharkey Sr. is visiting here at the home of his son Ed.

Messrs. M. Fahnner and C. Smallwood are down at Hanna this week hunting geese.

The NWU has been busy this week laying gas pipe to the old Public School now in use as a Lady Hall and to the Renwick house opposite the United Church.

Dennis Fahnner and Douglas Coffin had their tonsils removed at Lamont hospital last week. Both boys are home again and feeling fine. Mrs. Coffin and Mrs. Fahnner accompanied them.

A little cooler at time of writing but still Indian Summer and "lovely, lovely, lovely."

We would like to thank Mr. and Mrs. F. M. Hill for the generous carton of delicious strawberries sent us from their garden last week-end. The berries were beautifully ripe and full flavored and seemed to think that late October is as good a time as any to mature.

We notice that all garden flowers have not disappeared either. How much longer we can expect our climate to continue such excellent behavior is doubtful but it's grand while it lasts—so were those strawberries!

Mrs. L. A. Johnson is a patient in Wainwright hospital.

Mrs. Savard Sr. of Cold Lake has come to Irma to take up residence here. A new home is being built for her on the property of her son, Mr. J. C. Savard.

Mrs. Martin Knudson who, with her husband, will be leaving Irma shortly for B.C., was guest of honor at the W.M.S. meeting at Mrs. Simmerman's on Monday last. After the business and study period a jolly social hour was enjoyed and Mrs. Knudson was presented with a leather bound Hymnary. She has been one of the most able workers our W.M.S. organization has ever had. Her practical advice and generous help will be sadly missed.

Mrs. Ivan Currie has now completed 40 pairs of woollen socks for Korean Relief. Anyone able to beat that record?

The next meeting of the Jr. W.A. will be held on October 27 at the home of Mrs. M. Fahnner. Devotionals, Mrs. R. Dempsey; Hostesses, Mrs. D. Gunn and Mrs. C. Anquist. Program, Mrs. A. Knudson. Roll Call, "Bring a novelty for the bazaar." All bazaar sewing and fancywork is to be brought to this meeting.

The next meeting of the Ross F.U.A. Local No. 732 will be held at Ross School on Monday, Oct. 26 at 8 p.m. This being our annual meeting a good attendance is requested.—Ivor Thurston, Sec.-Treas.

Statistics show that nearly one-fifth of the households in Canada were over-crowded in 1951. An overcrowded house is one in which the number of persons exceeds the number of rooms in the dwelling.

THE COMMUNITY BOOSTER SECTION

It's good business policy to purchase everything you can in the community where you make your living. The businessmen of the community contribute a large proportion of local taxes and to every worthwhile community effort.

Local businessmen are doing their utmost to serve everyone by stocking all lines of goods which are available. Your patronage enables them to extend their efforts to present you with the largest and widest range of goods.

Easier starting
Less engine wear

with
Marvelube 5W
the "WINTERIZED" Motor Oil

Marvelube 5W is especially made to be "fluid" at below zero temperatures. Not only does your engine turn faster—start easier, with less battery drain—but you reduce metal-to-metal wear during the critical warm-up period. When weather turns warm there's no need to worry about engine protection because Marvelube 5W is processed to resist thinning. Marvelube 5W is highly detergent, and is "tough" in every way. It fights low temperature corrosion which can be a serious cause of winter engine wear. Use Marvelube 5W for trouble-free driving—longer engine life.
